

When students help with Uni projects to improve their education and experience e.g Phenonmenon-Based Learning & Student Engagement

When decisions are taken in Uni Committees about resources and policies affecting students

> When student views are shared at the SU meetings e.g. AGM and in discussions with execs of clubs & societies

When courses and academic support are discussed & changes agreed in course committees

How & where student feedback is used

In the day-to-day management of the university overseen by Uni Exec (SU president is a full member)

When support & events for students is agreed between Student Life **Reps and Student** Services

When priorities are identified through student surveys (annual course survey, NSS and SU student voice)
